Louisiana Labor Law

Louisiana employment is “at will”

- No justification for denial of tenure.
- No justification for denial of promotion if tenure is denied.
- Recommendation indicating areas needed to be strengthened for those tenured but denied promotion.
ULM Policy Clarification

• Apply for tenure during sixth year.

• Promotion prior to tenure not general practice.

• Early tenure and promotion only in exceptional cases, or as part of initial contract negotiations.

• Two negative votes stop the candidacy
