

CALL FOR ENTRIES

ULM Sculpture Garden

The University of Louisiana Monroe, (ULM) School of Visual and Performing Arts, announces a call for entries for public display of outdoor sculpture. All Work will be on display for one year from date of installation beginning in _____.

An honorarium of up to \$1500 is available for qualified artists to assist in covering all cost associated with delivery, set up and take down of work. With the continued growth of this program, alternative sites around the Monroe, West Monroe area are being pursued. With acceptance into this exhibition, artists may be invited to display their work through another year at these venues and will be provided an additional honorarium. Six works will be selected for exhibition.

Six 12" high concrete pads, ranging from 3'x3' to 3'x5', are available to artists for securing work. All selected work must be secured to one of the existing pads. Safety of the audience is a prime consideration. Sculpture must be able to withstand adverse weather conditions and installation in a high traffic area.

Applications are submitted digitally. Application materials consist of submission of up to three images for consideration, a resume, bio, artist statement and a brief proposal (if necessary). All artists selected will be featured on the recently posted ULM Sculpture Garden website at <http://www.ulm.edu/art/sculpturegarden> and included in a color brochure planned for production next year. Please submit requested materials via email to tresner@ulm.edu with the subject heading ULM Sculpture Garden Application. Applications are open till filled with a priority date of _____.

This call for entries can be found on the website posted above. There are no application fees or application forms. These will be sent to the artists selected for exhibition.
