RE: Calendar Committee Annual Summary

The University Calendar Committee met as a group one time during Academic Year 2013-2014. The chair received information from Anthony Malta and Cori Smit prior to creating the 2014-2015 Calendar for the committee's review. The Chair worked with Dr. William Barnett to revise an electronic system based on the new graduation dates. The committee approved the calendar as presented, which was then submitted to Dr. Pani for his review and approval. Subsequent calendar revisions related to editorial issues were resolved by the Chair or with input from appropriate committee members.

Thank you for this opportunity to serve.
