**End-of-Year Report**

**April 15, 2015**

The QEP committee met in Fall 2015 to discuss the QEP Impact Report that was presented as part of the SACSCOC Fifth Year Interim Report in March, 2015.

Committee members who were asked to assist with writing the report included Allison Thompson, Gene Eller, Joydeep Bhattacharjee, and Mary Adams. Their assistance was critical to the completion of the report, and much gratitude is owed to them for their work.
