**Chair Report:**

**AD Report:**

None

**FAR Report:**

The PATF is nearing its end. Bennett hoped to engage the UAAAC in a dialog concerning how we will assume the responsibilities of the PATF once the group disbands. He stated that one UAAAC subcmte of 3 members should assume many of these duties; the members of this subcmte should sit in on the upcoming PATF meetings. He noted that another UAAAC subcmte will be tasked with handling all Requests for Admission by Exemption.

In other news, Bennett noted that we will work with Kevin Price to approve and provide input on all travel schedules. Brett and Kevin will set a series of dates for this process.

The due date for the Implementation Report for last year's AIP is Oct. 1<sup>st</sup>. Hank and Brett will do report for last year and submit new report. The Proof of Penalty Report was submitted last week. This report serves as proof that we adhered to all self-imposed and NCAA sanctions

**News:**

Michaelides stated that Kathy Parker has been named Senior Women's Administrator.

Michaelides also asked if Athletic Academics should give a report during upcoming meetings since Academics is now a separate reporting line.

**Next Meeting:**

Our next meeting is scheduled for Tuesday, September 3<sup>rd</sup> at 4 pm.

Respectfully Submitted,

Mary Adams  
Secretary of UAAAC
