October 23, 2008 provoked a walkout by the Senate due to miscommunication with Associate Provost. Meeting was rescheduled Oct. 30, 2008, hence the roll indicated in two spots for this day.

Chandler has class schedule that interferes with regular attendance. Is excellent committee worker and attendee on committee work.
Case Hanks attended first two meetings, then informed the FSP she would resign at the end of the term
Johnson attended twice, and resigned in January due to altered priorities.
Taylor attended twice in 2008.
