2012-2013 Gainful Employment Disclosure Statement

Program Title: Post-baccalaureate Certificate in Computer Information Systems (PBIS)

Program Length in Credit Hours: 18 student credit hours

Program Length in Months (at 6 student credit hours per regular semester): 24 months

Occupations:
- 15-1121 Computer Systems Analyst
- 15-1130 Software Developers and Programmers
- 15-1142 Network and Computer Systems Administrator
- 15-1150 Computer Support Specialist

This certificate program is designed to prepare students for the following occupations, which are identified by federal Standard Occupational Classification (SOC) Codes found at http://www.bls.gov/SOC/

Classification of Instructional Programs (CIP) code: 52.1001, Management Information Systems

CIP Program Description: Management Information Systems, General

Completion Rates and Job Placement Date: The PBIS program will be available for student registration in the Fall 2013 semester. For that semester, there are currently thirteen students enrolled in the program. Normal completion of the program in 24 months (four regular semester over two academic years) will require students to enroll in six credit hours per semester the first year, and three semester hours per semester the second academic year. This difference is due to course prerequisites. Eight of the students currently enrolled for Fall 2013 are taking at least 6 student credit hours of PBIS classes. The other five students were enrolled in less than six hours of PBIS classes. No students completed the program in the Spring 2013.

Program Cost: (Based on 2012-2013 Costs, Louisiana Resident Student, Completing Program in 24 months)

$5,789 - Tuition and Fees ($1,938 per semester for 2 semesters, and $956.50 per semester for 2 semesters)
