

**UNIVERSITY OF LOUISIANA MONROE**  
Graduate School

**RECOMMENDATION FOR MEMBERSHIP ON THE  
GRADUATE FACULTY**

Name: \_\_\_\_\_

College: \_\_\_\_\_

School: \_\_\_\_\_

Current Graduate Faculty Status: \_\_\_\_\_

Rank and Title (e.g., Assistant Professor of Biology): \_\_\_\_\_

Requested Classification (Check one):

Member      A Member is permitted to teach graduate courses and serve as a member of graduate advisory committees, act as a major professor, and direct field studies, theses and dissertations.

Clinical      A Clinical Member has (a) earned a terminal degree in field of specialization, (b) is an adjunct or visiting professor who has a record of appropriate clinical experience, (c) has evidence of scholarly activities (such as published, refereed journal articles; book chapters; books) and professional activities, and (d) previously has served as a graduate Associate Member at ULM or comparable accredited university. A Clinical Member can serve as a member of graduate advisory committees; chair and direct field studies, theses, and dissertations; and teach graduate courses.

Associate      An Associate Member may teach graduate courses and may serve as a member of graduate committees. An Associate Member may *not* direct field studies, theses, dissertations and may *not* serve as major professor on a graduate advisory committee.
