## **Student Advising - Changing Majors**

**Changing Majors:** To officially change your major to a program in the Department of Health Studies, you must do the following:

- 1) Obtain, complete and return the “Change of Major” form in the Dean of Health Sciences’ office (Sugar 151).
- 2) Fill out the Health Studies information form in the Dean of Health Sciences’ office (Sugar 151).
- 3) Make an appointment with a faculty member in the Department of Health Studies for advising session. If you are changing majors, the faculty would like you to meet with them prior to advising week.

**Needed information for initial program advising:** Please bring with you the following to the first meeting with the faculty:

- 1) Unofficial transcripts from ULM
- 2) Unofficial transcripts from any other education institution you attended, and
- 3) Course descriptions for education institutions, other than ULM.

The faculty will review these, with the student, to determine where the student is in the degree process. Students may also view this same information on FlightPath. (<https://webservices.ulm.edu/flightpath/sign-on.php>).
