

Drug Information Request Form

This is a professional service of the Drug Information Center at the University of Louisiana at Monroe College of Pharmacy, supported by the Louisiana Medicaid Pharmacy Benefits Program.

The Drug Information Center is not able to answer inquiries from the lay public. All public inquiries should be directed to the individual's personal healthcare provider.

If you would prefer to contact the Drug Information Center directly, please call 318-342-5501 or send an email to druginfo@ulm.edu. For poisoning emergencies, call 1-800-222-1222 and select Option 1.

In order to provide the most appropriate response to your question, it may be necessary to contact you for additional background information.

Please enter your contact information and detailed drug information question below:
