\* Students must complete sufficient course work in these areas to meet the Louisiana Board of Regents core curriculum requirements.

\* Students initially enrolled at the University of Louisiana at Monroe must also meet the University's core curriculum requirement. Some courses required above may meet the Board of Regents and/or University core curriculum requirements.

**\* Course work completed more than seven years prior to the applicant's requested admission date cannot be used to satisfy prepharmacy requirements and will be excluded from all evaluations and grade point calculations associated with the professional program admission process.**  
To inquire about possible appeals, please contact the School of Pharmacy's Director of the Office of Student and Professional Affairs at 318-342-3800 or email [caldwell@ulm.edu](mailto:caldwell@ulm.edu)
