What’s New for 2016-2017?

Developmental & Math/English Co-Requisite Course Requirements

Mathematics 1000 & English 1000
MATH 1000 and ENGL 1000 were developed as co-requisite courses for MATH 1009 and ENGL 1001 respectively.

Newly admitted students whose Math ACT score is 17 or 18 must take the MATH 1000/MATH 1009 pair in their first semester of attendance at ULM. Newly admitted students whose English ACT score is 16 or 17 must take the ENGL 1000/ENGL 1001 pair in their first semester of attendance at ULM. Students required to take MATH 1000/1009 or ENGL 1000/1001 must successfully complete the course pair within one academic year and with no more than two attempts. Students who do not successfully complete MATH 1000/1009 or ENGL 1000/1001 in two attempts must complete the developmental requirement at another institution of higher education.

Completion of Developmental Course Requirements

The following students must complete their developmental requirement at another institution of higher education:

1) Students with an ACT score below a 17 in Math or 16 in English.
2) Students who started at ULM before Fall 2015 and who have not yet completed the developmental requirement.
3) Students who do not successfully complete their Math 1000 or English 1000 requirements within one academic year and with no more than two attempts.

Note: Students with two developmental requirements regardless of their ACT scores must complete both requirements at another institution of higher education.

Technical/Professional Writing
ENGL 3024 Professional Writing and Communication has replaced the old ENGL 3020, 3021, 3022, and 3023 courses. Degree plans that previously required one of the old courses have been updated for 2016-17 to require ENGL 3024 instead. Students in older catalog years will be permitted to substitute the new course in place of the old requirement.

University Core Curriculum
The following course has been added to the catalog and the University Core Curriculum for the 2016-17 catalog.

- PHYS 1015-Physics of Superheroes (core physical science)
Withdrawal Policy
The following is an explanation of the new withdrawal policy in effect starting with FALL 2016.

*Each student will be allowed 3 withdrawals after the drop/add period (the 5th class day). Beginning on the 4th withdrawal, a $50 charge will be assessed for each withdrawal thereafter until the completion of the undergraduate degree.*

FlightPath Features
FlightPath now has the ability to calculate a Major GPA and a Degree GPA, based on the courses that are filling in on the degree plan in the View tab of FlightPath. This includes any substitutions that have been performed in FlightPath. These calculations display below the pie charts that indicate progress toward degree. **Please note that these are internal calculations and are only accurate for students in catalog years since 2014-15.** Catalog years prior to 2014-15 will not be able to accurately calculate the GPA for the Major and Degree, though the cumulative GPA that is displayed at the top of the student’s degree plan is an accurate GPA from the Banner transcript.

Beginning Freshmen and PREP
- All beginning freshmen will be advised and register for the Fall semester at PREP. If advising beginning freshmen for summer classes, please inform them that they will register for their Fall classes at PREP.
- All beginning freshmen will register for UNIV 1001. School-specific sections have been created, and advising staff will be provided with the appropriate CRNs for their students to use.
- The SSC will continue to prepare the PREP Schedule of Classes each PREP week during the summer for faculty to use when advising students.
- Beginning Freshmen should be steered toward beginning freshman (BFR) sections of courses whenever these sections are available.
- Beginning freshmen who are admitted for summer will need Capacity Overrides in order to enroll in BFR sections (including UNIV 1001) for Fall.

3) Course Equivalencies

- On FlightPath main page, click on “transfer credit equivalency search” and find school. ULM equivalents are listed. If the course is not a direct equivalent, it is given a level number of 1, 2, 3, or 4, followed by XXX. This means that this is a viable university-level course that may or may not be used on a degree plan, per approval of the department. For example, in many cases these courses may be used as electives.

- To review course descriptions for courses that do not have direct equivalencies defined in the Transfer Credit Equivalency Search in FlightPath, please go to [http://www.collegesource.org/](http://www.collegesource.org/)
4) Scholarship Info

TOPS
Students receiving TOPS must earn 24 hours per academic year, which includes the Fall, Wintersession, Spring, Maymester and Summer semesters. Students MUST be registered as full-time students (12 or more academic credit hours) through the 15th day of the Fall and Spring semesters, regardless of the number of credit hours they have earned during other terms.

5) Other Important Information

- Students must enroll in (and successfully complete) 12 credits of course work in the fall/spring to be considered “full-time.” The maximum course load is 18 hrs./semester. (Freshmen should take no more than 16 hours.)

- Students should not be advised into 3000/4000-level classes until developmentals are completed.

- Use FlightPath for advising and making comments. Choose term before advising.

- Check Banner self-service (View Holds) for holds and inform student.

- Some online classes are reserved for eULM students.

- Test Outs - Students may NOT test out of classes during the semester in which they intend to graduate. See Testing Center website for details on all types of tests and eligibility. [http://www.ulm.edu/testingcenter/](http://www.ulm.edu/testingcenter/)

6) Online Attendance Policy (ULM 2015-16 Undergraduate Catalog)

[http://catalog.ulm.edu/content.php?catoid=20&navoid=2479#Online_Attendance_Policy](http://catalog.ulm.edu/content.php?catoid=20&navoid=2479#Online_Attendance_Policy)

1. Students are required to log in to each online course by the second day during the week in which the course officially begins, or the day of enrollment during late registration to complete the initial introductory postings required in the course.

2. Logging in to an online course constitutes a start and assumes the intention to complete the course.

3. Students must log in at least one additional day during the first week of the course. Students must log in on two separate days each subsequent week of the course to meet attendance requirements or as specified in the syllabus. Nonattendance may affect financial aid.

4. Students withdrawn due to nonattendance will be permitted to return no sooner than the beginning of the next semester.

5. Students may appeal if they feel an error has been made in their attendance calculation as outlined in the University Regulations Procedure for Appealing a Grade.

6. Students are strongly advised to check e-mail daily, excluding weekends, for full term fall and spring courses.

7) Placement Tests for Online Students

Online students needing to take a placement test for Math or English do not have to come to ULM to do so. They may contact ULM Admissions to get information about another test center. The student should contact the other test center to inquire about registration procedures, test dates and test fees. When reporting to take the test, the student should request that the test results be sent to ULM via fax (318-342-3553) or email (testing@ulm.edu).

8) MATH 1000 & ENGL 1000

MATH 1000 and ENGL 1000 were developed as co-requisite courses for MATH 1009 and ENGL 1001 respectively. Newly admitted students whose Math ACT score is 17 or 18 must take the MATH 1000/MATH 1009 pair in their first semester of attendance at ULM. Newly admitted students whose English ACT score is 16 or 17 must take the ENGL 1000/ENGL 1001 pair in their first semester of attendance at ULM. Students required to take MATH 1000/1009 or ENGL 1000/1001 must successfully complete the course pair within one academic year and with no more than two attempts. Students who do not successfully complete MATH 1000/1009 or ENGL 1000/1001 in two attempts must complete the developmental requirement at another institution of higher education.
9) Completion of Developmental Course Requirements
The following students must complete their developmental requirement at another institution of higher education:
1) Students with an ACT score below a 17 in Math or 16 in English.
2) Students who started at ULM before Fall 2015 and who have not yet completed the developmental requirement.
3) Students who do not successfully complete their Math 1000 or English 1000 requirements within one academic year and with no more than two attempts.
Note: Students with two developmental requirements regardless of their ACT scores must complete both requirements at another institution of higher education.

WHAT IS TOPS?
Louisiana’s Taylor Opportunity Program for Students (TOPS) is a comprehensive program of state scholarships and one of the most innovative and progressive student assistance programs in the nation. TOPS has four award components. See the table on the reverse for eligibility and renewal requirements of each award, except the Tech Award, which is presented in a separate brochure.

TOPS CORE CURRICULUM
Students must take the courses required for TOPS within their TOPS University curriculum requirements. For more information on TOPS University requirements go to www.louisianabelieves.com. Beginning with graduates of the 2017-2018 academic year, there will be significant changes to both the list of approved TOPS Core Curriculum courses and the Core Curriculum grade point average (GPA) calculation. Go to http://www.osfa.la.gov/MainSitePDFs/TOPSCoreCurriculum2018.pdf.

HOW AND WHEN TO APPLY FOR TOPS?
To apply for TOPS, the student must complete the Free Application For Federal Student Aid (FAFSA) at www.fafsa.gov or the TOPS On-line Application at https://www.osfa.la.gov/AwardSystem/. The FAFSA must be completed by students who qualify for federal grant aid and by students who are seeking other forms of financial aid. The TOPS On-line Application may be completed by students who can certify that they do not qualify for federal grant aid. In the event of a budget shortfall, students completing the TOPS On-line Application instead of the FAFSA will be the first to lose their TOPS award.

NON HIGH SCHOOL GRADUATES
Students with superior intellect who enter college full-time prior to their nineteenth birthday without completing high school or an approved home study program may qualify for a TOPS award. Contact LOSFA for more information.

AWARD COMPONENTS OF TOPS (EXCEPT TECH AWARD)

STUDENT ELIGIBILITY

REQUIREMENTS
As a TOPS recipient, you must enroll as a full-time student during each semester, quarter or term during the academic year, remain continuously enrolled, and must earn 24 hours of credit during the academic year. Failure to do so will result in cancellation of your TOPS award. The Academic Year begins with the fall semester, quarter or term and continues through all semesters, quarters, terms and intersessions until the following fall semester, quarter or term begins.

Exceptions to the requirements to enroll full-time or to remain continuously enrolled or to earn 24 hours of credit each Academic Year may be granted by the Louisiana Office of Student Financial Assistance (LOSFA) for circumstances beyond the student’s control. Students seeking an exception to these requirements must submit a request for exception form (Available from LOSFA or on our Web site at www.osfa.la.gov/exceptionform) and provide all necessary documentation. If approved and all other continuation requirements are met, the award will be reinstated. Requests for exception must be received no later than six months after the date of the notice of cancellation.

Earning 24 credit hours each Academic Year is the responsibility of the student. Advanced Placement credits cannot be used to meet the 24 hour requirement. Hours earned in remedial courses which are required by your school and hours earned in intersessions held between the beginning of the Fall semester and the beginning of the next fall semester (Academic Year) will count toward your 24-hour requirement. All Award recipients can use hours earned in summer sessions to meet their 24-hour per Academic Year requirement as well.

At the end of each academic year the following TOPS cumulative grade point average (GPA) as determined by LOSFA, must be maintained:

- **Opportunity Award:**
  - End of First Year academic year: 2.30
  - End of all other academic years: 2.50
- **Performance Award:**
  - End of all Academic Years: 3.00
- **Honors Award:**
  - End of all Academic Years: 3.00
- **Tech Award:**
  - End of all Academic Years: 2.50

*and opportunity, performance and honors award recipients enrolled in a technical program of study

The TOPS cumulative GPA is calculated on all course work attempted and may not be the same as that calculated by the school.

Performance or Honors Award recipients who fail to maintain at least a 3.00 cumulative GPA at the end of any academic year, will have their award converted to the Opportunity Award, provided they have maintained the GPA necessary for renewal at that award level. Once the recipient’s award is converted to the Opportunity Award, the Performance or Honors Award cannot be reinstated.

Grades earned for college credit courses taken while in high school through dual enrollment programs are included in the calculation of your cumulative college GPA and will affect your TOPS continuation eligibility.

Students who fail to maintain steady academic progress at the end of any semester, quarter or term shall have payment of their award suspended. Steady academic progress is defined as a minimum 2.00 cumulative GPA.

Students whose awards are suspended for failure to maintain the required GPA or steady academic progress may be reinstated upon attainment of the required GPA provided that the period of ineligibility did not persist for more than two years (one year for the Tech Award) and the student has met the requirements noted in the first paragraph.

To renew your TOPS award for the 2016-2017 Academic Year, your 2016-2017 Free Application for Federal Student Aid (FAFSA) or renewal FAFSA must be received by July 1, 2016, unless you can demonstrate that you do not qualify for federal grant aid.
