History of the University

The University of Louisiana Monroe has followed a course of vigorous growth in its transition from a junior college to an institution offering a comprehensive range of undergraduate and graduate degree programs. In September 1931, the University opened for its first session as Ouachita Parish Junior College, which was operated as part of the Ouachita Parish School System. In 1934, Louisiana State University received authority from the State Legislature to operate the facilities of the University as Northeast Center of Louisiana State University. The name of the institution was changed to Northeast Junior College of Louisiana State University in 1939. The following year, the State Legislature authorized the transfer of all lands connected with Northeast Junior College to Louisiana State University.

The 1950 Legislature approved the expansion of Northeast Junior College to a senior college granting academic degrees. The name of the institution was changed to Northeast Louisiana State College, and its control was transferred from the Louisiana State University Board of Supervisors to the State Board of Education. The School of Pharmacy was established in 1956.

The academic year 1969-70 was a milestone for ULM; in addition to awarding the first doctoral degrees, the name was changed to Northeast Louisiana University by the 1970 Legislature. The constitution, adopted by the people of Louisiana in 1974, provided that the administration of state colleges and universities be changed from the Louisiana State Board of Education to the Board of Trustees for State Colleges and Universities effective May, 1975. This Board's name was again changed on June 8, 1995 to the University of Louisiana Board of Trustees and in 1998 to the University of Louisiana System Board of Supervisors.

The Graduate School was established in 1961 to offer master's degrees. In the Fall of 1967 the Education Specialist degree was first offered and in 1983 the Specialist in School Psychology degree was added. The Graduate School established the Doctor of Philosophy degree in Pharmacy in December of 1967. In 1993, the Office of Research and Projects and the Graduate School were merged forming the Office of Graduate Studies and Research. This reorganization was implemented to more effectively support scholarly activities of faculty and students. In 1994, Northeast Louisiana University, in cooperation with Louisiana Tech University and Grambling State University, formed the Louisiana Education Consortium, a uniquely and timely effort to offer the Doctor of Education degree at each campus. In the Fall of 1996, the Doctor of Philosophy in Marriage and Family Therapy admitted the first class of students.

On August 27, 1999, the University officially changed its name to The University of Louisiana at Monroe. On June 26, 2006, the ULM officially unveiled its new mascot - the Warhawks.

The University of Louisiana Monroe strives to distinguish itself in preparing students for meaningful lives and service to humanity by excelling in student-centered learning—turning vision into action.

Purpose - Scope - Philosophy

The University of Louisiana Monroe (ULM) is committed to serving as a gateway to diverse academic studies for citizens living in the urban and rural regions of the Lower Mississippi Delta. The university offers a broad array of academic and professional programs through the doctoral degree, including the state's only PharmD program. Complemented by research and service, these programs address the post-secondary educational needs of the area's citizens, business and industry.

The university ensures student learning by promoting a comprehensive context for the intellectual, scientific, cultural, technological, and economic development of a diverse student and faculty population. ULM values the continued development of mutually beneficial partnerships involving school, governmental, business, and a variety of community-based agencies.

ULM is located in Region VIII. The university is categorized as SREB Four-Year 3 institution and as a Carnegie Master's College and University L. ULM will offer a wide range of baccalaureate programs and be committed to graduate education through the master's degree, offering graduate programs to meet regional/state needs. ULM will enroll students in need of no more than one developmental education course, will limit associate degree offering to 2+2 programs, will conduct research appropriate to academic programs offered and necessary for program accreditation, and will implement Selective III admissions criteria.

Mission

The University of Louisiana at Monroe (UL-Monroe) is committed to serving as a gateway to diverse academic studies for citizens living in the urban and rural regions of the Lower Mississippi Delta. The university offers a broad array of academic and professional programs from the associate level through the doctoral degree, including the state's only public Pharm D program. Complemented by research and service, these programs address the postsecondary educational needs of the area's citizens, businesses, and industries.

The university ensures student learning by promoting a comprehensive context for the intellectual, scientific, cultural, technological, and economic development of a diverse student and faculty population. UL Monroe values the continued development of mutually beneficial partnerships involving schools, government, businesses, and a variety of community-based agencies.

UL-Monroe is categorized as an SREB Four-Year 3 institution, as a Carnegie Master's College and University I, and as a COC/SACS Level VI institution. It will offer a wide range of baccalaureate programs and will be committed to graduate education through the master's degree, offering graduate programs to meet regional or state needs. The university will limit associate degree offerings to 2+2 programs, conduct research appropriate to academic programs offered and necessary for program accreditation, and implement, at a minimum, Selective III admissions criteria. UL-Monroe is located in Region VIII.

Louisiana Board of Regents

<u>The Board of Regents</u>, a state agency created by the <u>1974 Louisiana Constitution</u>, coordinates all public higher education in Louisiana. The Board began operations January 1, 1975, succeeding the Coordinating Council for Higher Education.

The 15 volunteer members of the Board of Regents are appointed by the Governor to six-year, overlapping terms, with at least one (but not more than two) Regents drawn from each of Louisiana's seven Congressional districts. In addition, the Louisiana Council of Student Body Presidents appoints one student member as its representative on the board.

Policies and decisions of the Board of Regents are administered by a full-time staff headed by the Commissioner of Higher Education.

University of Louisiana at Monroe

Since its formation in 1974, the University of Louisiana System, one of the nation's twenty largest public systems of higher education, has provided access to higher education through its eight universities located throughout the state. Our universities enroll over 83,000 students of all ages and backgrounds, and offer over 600 academic degree programs. Today, we continue to offer courses on our campuses, and also through the newest distance learning technologies. We are working hard to meet the changing needs of students, offering more courses on-line and through compressed video.

Our universities and their designated unique areas of excellence are recognized nationally for first-rate education, cuttingedge research, and committed public service. The universities will continue to play a vital role in the lives of Louisianans and in the economic and social growth of the state. They train students to be future leaders, help develop the state's workforce, conduct important research on solving problems confronting our state, provide cultural events for their local communities, advise small businesses, and otherwise serve Louisiana.

The members of the Board of Supervisors for the University of Louisiana System are appointed by the Governor with the consent of the Senate. Each member serves staggered terms of six years, except the student member who serves from September 1 through August 31 of the year following his or her election and appointment. Annually, the Board elects a chairman and vice-chairman from its membership.

The **Student Government Association** is the governing voice responsible for meeting the needs of the ULM students. Membership includes every registered student at ULM. The SGA acts as a liaison among the students, faculty, and the administration. Through various departments and task forces, SGA directly handles issues that may arise in the area of student life, campus programs, and university procedures.

The SGA is funded through a student activity fee each semester. Members are strongly committed to promoting and supporting the students at ULM.

ULM Alumni Association

The Alumni Association was organized in 1952 for the benefit of Northeast Louisiana State College. The first president of the Alumni Association was Mr. Pascal Norris of Monroe. In 1999 the name of the institution was changed to The University of Louisiana Monroe and the organization became known as the **ULM Alumni Association**.

In the Fall of 1953, the first alumni newsletter was published under the name of "Alumni News". In 1982 the "Alumni News" was renamed "Drumbeat." In November 2006, "Drumbeat" was renamed "The ULM Magazine."

31 Ambassadors

The 31 Ambassadors is a high profile, high-energy organization composed of ULM's finest students. 31 Ambassadors at ULM serve as the official host for alumni-related activities while sponsoring events aimed at increasing student awareness of ULM and our Alumni Association.

The 31 Ambassadors organization, known originally as NLU31, was formed in 1981 (during NLU's 50th anniversary) after several students and alumni recognized a special need to create an awareness of the activities and benefits provided through the NLU Alumni Association. Due to the fact Northeast Louisiana University was established in 1931, the charter members of the organization adopted the name "NLU31."

The 31 Ambassadors is sponsored by the ULM Alumni Association and is largely self-sustaining with additional funding coming from the generous contributions of benefactors and the ULM Alumni Association.

Conference Athletics

T = Tournament Ranking;

Overall Standings	63 total points					
ULM competes in 16 of 19 sports; 13 teams in conference						
www.sunbeltsports.org						

The Sun Belt Conference is one of only 11 NCAA conferences to participate in Division I-A football and will enter its 34th season in 2009-2010 with a proud history of athletic and academic success.

The conference sponsors 10 women's sports - basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball; and nine men's sports - baseball, basketball, cross country, football, golf, swimming and diving, tennis, and indoor and outdoor track and field.

Because of its status as a member of the Division I-A football coalition, the Sun Belt Conference has a permanent seat on the NCAA's 16-member Board of Directors. As a result, the conference has a crucial voice on some of the most pressing issues in college athletics and will always have a role in the implementation of any future NCAA legislation and guidelines.

Alma Mater / Fight Song

Alma Mater

By the bayou's tranquil water,

Where friendships thrive and grow,

Proudly stands our alma mater

Ever home for us to go.

Here cypress stand in splendor

And gracefully they touch the breeze.

Though friends may leave and lives may change

Faithful we shall always be.

Shining bright the bayou's gem

Ever loyal to ULM.

Fight Song

Cheer for the Warhawks

With our fighting spirit bold

We will keep our banners waving

The old Maroon and Gold

Our battle cry rings to the sky

Our goal is victory

But win or lose we'll stand by you

And ever loyal we will be

U-L-M

Go Warhawks Go

ULM's Bayou Village!

ULM embarked on a project that completely reconstructed the housing for students. Changes were made with the completion of renovations for Ouachita, Madison and Masur Halls and the demolition of Hudson, Sherrouse, Olin, Lemert, Harris, Breard and Cosper Halls and the addition of new apartments and suites. Bayou Village Apartments are available to upper-class students with a 2.25 GPA or higher. University Commons I and University Commons II, Ouachita, Masur and Madison Halls are available to all residential students with a 2.0 GPA or higher.

Note:	

"Funct Codes" and "Room Type Codes" represent two different classification systems. Both classification systems are defined by the Louisiana Board of Regents and are used within the Facilities and Space Utilization Report.

The Room Type Codes are used to specifically identify the use of a room. An example would be a Classroom, Laboratory, etc...

The "Funct Code" or Program Classification Structure (PCS) coding system gives more of a general description of the room's use. Examples include Academic Support, Student Service.

University Library

The new University Library opened for service on April 12th, 1999. The Grand Opening Ceremonies was held on April 30th, 1999. The library occupies floors one to five in the new building. University administration is located on the sixth floor, and a conference center is on the seventh floor. The new facility has a fully equipped computer lab, media presentation/studio room, bibliographic instruction room, study/meeting rooms, and an expanded Special Collections area.

The resources of the library include 629,606 print volumes, including 201,415 state and federal documents, 2,941 serial subscriptions, and 622,994 volumes in microformat. The library is a member of AMIGOS, which enables cataloging and bibliographic verification and interlibrary loan to be done via computer terminals connected on-line to the system headquarters. NEON, the Library's electronic catalog, is part of LOUIS, the state wide academic library catalog network. Being part of LOUIS, the library also has access to EBSCOhost that provides access to bibliographic references to more than 7,000 journals. Many of these are also available in electronic text format once the bibliographic reference is located for the article. In addition, LOUIS provides access to other bibliographic and abstracting sources.

Housed on open shelves, the Library's resources are located on five floors. The first floor is the focal point for information services. Located there are reference materials, a national and trade bibliographic center, and serials. Also on this floor are the Reference Office and Interlibrary Loan Service. The general collection of monographs are located on the second through fifth floors of the building. In addition, the second floor houses the Government Document collection and Media Services. Computer Services is located on the third floor, and special collections (archives, rare books, etc.) is on the fifth floor.

STUDENT UNION BUILDING GRAND OPENING

On January 23, 2007 ULM held a grand opening for the renovated SUB (Student Union Building) and its companion building, the Student Center.

During the ceremonies, ULM president James E. Cofer Sr., made a special presentation to Mrs. Yvonne Anderson, the first female Student Council president of then Northeast Junior College in 1945-46. Anderson was presented with a framed photo of the Student Council from the 1946 Chachahoula.

Campus Activities Board representative Micah Pulliam presented the 75th Anniversary time Capsule to be opened at the University's Centennial celebration in 2031. The time capsule includes memorabilia from the 75th Anniversary celebration, fact books on the university, and a scroll signed by the faculty, staff and students in 2006.

ULM's National Champion Water Ski team were also honored.

After the ceremonies tours of the SUB and Student Center, along with delicious samples of the various food court vendors, were made available to all.

Historical Listings: Faculty Senate Presidents

Purpose of the Faculty Senate

The faculty has primary responsibility for such fundamental areas as curriculum, subject matter, and methods of instruction; research, faculty status, and working conditions; and those aspects of student life that relate to the educational process. The ULM Faculty Senate shall serve as the agency for faculty participation in the government of the University. Accordingly, the Faculty Senate shall advise the administration regarding the selection of academic officers, the policies and procedures governing salary determination, and other matters concerning the general welfare of the University, either on its own initiative or upon referral of proposals from others.

Annual publications provided by the University of Louisiana Monroe summarizes developments in education using the latest available data. These reports are used by the university to provide information as a public service. Reports usually include an opening letter from the President, financial data, results of continuing operations, market segment information, subsidiary activities, research and admissions activities for future retention programs. Additional forms must be filed with the State of Louisiana governing board, Board of Regents. Typically, these additional forms contains more detailed information about the condition of the university than what is contained in the annual report.
