

YOUR NEXT STEPS

1. Access your myULM account.

Your myULM account is your digital hub with important links, including your new Warhawk email account. ULM will send all housing, scholarship, and registration updates to your Warhawk email address. Follow instructions at ulm.edu/admissions/logins.

2. Accept your Academic Scholarship.

If you're offered a ULM Academic Scholarship, remember to view and accept your scholarship offer at webapps.ulm.edu/tsats. If you do not qualify for an Academic Scholarship, you may qualify for a ULM Foundation scholarship. ULM Foundation scholarship applications are open in February. For more information, visit ulm.edu/scholarships.

3. File your FAFSA.

Visit studentaid.gov to fill out your Free Application for Federal Student Aid (FAFSA). ULM's school code is 002020. Any student wishing to apply for Federal Financial Aid or a ULM campus job must fill out the FAFSA. All Louisiana students who want to apply for TOPS are also required to complete the FAFSA. If you are currently receiving financial aid at another institution, you must cancel that aid before receiving aid for ULM.

4. Upload your immunization records.

Visit ulm.edu/immunization for full details regarding uploading your vaccination records or waivers. All students, including online students, must submit records or a waiver.

5. Apply for housing.

Get the full Warhawk experience by living on campus. There are multiple housing options at various price points, from traditional suites to single-person apartments. Housing applications open January 1 for students starting in the fall semester and November 1 for students starting in the spring semester. We recommend you apply as soon as possible at ulm.edu/reslife or call 318.342.5240.

6. Connect with your advisor.

Your advisor will help you enroll in courses at ULM. Transfer students can find their advisor by emailing transfer@ulm.edu and online students can contact onlinedegrees@ulm.edu.

7. Register for PREP.

PREP is an exciting, one-day orientation for transfer students. At PREP, you will learn all there is to be a Warhawk! Be on the lookout for PREP registration at ulm.edu/prep. Questions? Call 318.342.7315 or email prep@ulm.edu.
