

## Volunteer Opportunities

The Division for Student Affairs is excited to implement the ULM V.I.P White Glove Program under the leadership of the division of Auxiliary Enterprises. We continue to accelerate programs and services using **U**nlimited **L**enses **M**agnifying Student Life on our campus.

As you know, the University of Louisiana Monroe is the heartbeat of Ouachita parish and home to almost 9000 students .... and growing! What better way to enhance our student's on-campus living experience than to have volunteers assist in making sure our Residence Halls are ready. Please consider this letter your invitation to share in this Unlimited Lenses experience with us. The White Glove Program is a voluntary program with a team goal to inspect our student living facilities to ensure they are "move-in" ready prior to the arrival of our students. This volunteer program will meet prior to the beginning of the fall term.

By committing to this service, you will be responsible for attending a meeting prior to the beginning of school for a few hours. Serving in this capacity comes with a few perks: (1) Ensuring our students' room have been white glove inspected; (2) The opportunity to partner with the university staff members and connect with other stakeholders (you will serve in teams of three); (3) You can become an advocate to assist in leading change and to champion the quality of on-campus residential living which be in concert with President Berry's statement *we are changing lives on the Bayou*. Your commitment will help us to ensure each students room has been "V.I.P. White Glove approved.

Please complete the "**ULM VIP White Glove Program**" Unlimited Lenses form. You may fax it back to (318.342.3505) or scan via email to [pjackson@ulm.edu](mailto:pjackson@ulm.edu).

We value you and your time and we would be honored to have you join us as one of our VIP volunteers.
