

International Education Council

Minutes from the August 11, 2008 Meeting

We met in LIB 622

At 11:00 Dr Loeb called the meeting to order

Each member introduced themselves

We agreed to elect a secretary at the next meeting

All members were requested to submit their schedule for the purpose of planning a meeting schedule.

Dr. Loeb requested that each member commit to one or more of the IEC goals

Dr. Loeb announced that Michael Echols is encouraging International student recruitment. He is also paying Google to improve our search engine availability.

She suggested that the Food Fair was a great success last spring and that we should consider taking part again this year.

The committee developed a list of Faculty International skills last year.

We also participated in the International Expo for International Student Week last year and it was suggested that we participate again this fall.

We discussed finding host families for international students to help them feel more at home and possibly provide housing during holidays.

Meeting adjourned at 12:00pm

Respectfully submitted,

Dr. Jim Wood
