

UAAAC Minutes
March 6, 2018

In Attendance: Mary Adams, Bob Cage, Tommie Church, Tom DeNardin, Jim Greenlaw, Leigh Hersey, Anthony Malta

Tom called the meeting to order.

Since so few were in attendance today, Tom decided that the minutes for November, February, and March Meetings would be presented to committee for approval at the April meeting. April meeting will be on April 10th instead of April 3rd since Spring Break is the week of April 3rd.

Tom reported that he and Mary had gotten the Faculty and Staff nomination forms ready and had delivered the appropriate forms to Kathy and Nick.

He also added that none of the chairs for sub-committees were in attendance; therefore, subcommittee reports would be presented at April meeting.

Mary talked to the group about promoting better attendance at sport games and events. Both student and faculty attendance need improvement. She said that she knows a student who is very involved in campus life who could help with promotion ideas.

Tom asked if we wanted to give the Staff award, and announce the Faculty award winner at the Maroon and Gold event that is usually held sometime in April. We decided to discuss this at the April meeting.

Meeting adjourned at 4:30 p.m.
