ADMISSION TO TEACHER EDUCATION PROGRAMS

Candidates seeking a degree in a teacher education program must meet the admission requirements of the College.

Tentative admission to Teacher Education will be granted to applicants who meet general University entrance requirements.

Students with a felony conviction will not be admitted to Teacher Education.

Application for admission to a teacher education program should be made during the first semester following the completion of 30 semester hours and before completing 90 hours. Transfer students from other Colleges of the University and other colleges and universities who have completed thirty or more applicable semester hours should make formal application during their second semester of enrollment. Conditional admission may be granted transfer students by the Dean of the College of Education and Human Development during the first semester if requirements are obviously met.

Requirements for admission and retention are:

1. Completion of not more than 90 semester hours, with a cumulative grade point average of 2.5 on a 4.0 scale, last grade counted.
2. Presentation of passing scores on Academic Skills tests in Reading, Writing, and Math (PRAXIS I) or a composite of 22 on the ACT. Information concerning registration for the exams can be obtained online at the Educational Testing Service website.
3. Completion of all developmental courses as required.
4. Successful completion of English 1001 and 1002 or their equivalents with minimum grades of "C".
5. Successful completion of required six hour Math sequence appropriate to degree program with grades of "C" or better.
6. Completion of 20 clock hours of preliminary laboratory experiences as directed in Educational Foundations 2001 or KINS 2011.
7. Speech and Hearing Screening

8. Recommendation of advisor.

Applications for admission to a teacher education program are reviewed by the College's Undergraduate Review Committee. This Committee is composed of faculty members and students whose function is to screen applications for admission.

Students whose status at the completion of 90 semester hours of university work is such that admission requirements are not met will be denied further enrollment in teacher education.

Application forms for admission to teacher education maybe obtained in the Center for Teacher Certification.

Description:	
4034. PROFESSIONAL DEVELOPMENT IN KINESIOLOGY. 1 cr. This course is designed as a pre-internship experience that will provide undergraduate Kinesiology students with the key training needed to engage in the professional activities that are central to a successful career in the fields of kinesiology-related fields. Although issues of substantive, exercise, fitness, sport, and/or wellness importance naturally will be addressed, the primary focus will be on the strategies and skills that are needed to translate one's substantive knowledge into a successful career—one that advances both the individual's goals and the general community goals of improved health, decreased disease, and the reduction of health disparity. As this description indicates, this course is most appropriate for undergraduate students who will be pursuing careers that emphasize their preparation in kinesiology-related fields.
