CATAHOULA PARISH SCHOOL DISTRICT, Harrisonburg, Louisiana, United States.

Supervisor, 2016-2023

- *Title 1 Instructional Supervisor:* Served as a consultant for teachers and school administrators to provide support in the areas of curriculum, instruction, and assessment. Assessed educational standards and classroom policies via walk-through observations to ensure that district policies are adhered to within the schools. By way of the walk-through observations, feedback was provided to teachers in areas such as setting instructional outcomes, managing classroom procedures, using questioning and discussion techniques,

and engaging students in learning. Worked with principals to purchase materials, such as textbooks, as needed. Supported struggling teachers through intensive assistance action plans. Met with administrators and teachers to discuss performance. Attended principals' meetings with district network leaders. Attended district planning calls monthly. Performed all other duties assigned by Superintendent.

- *Google Certification Specialist (2020-2023)*: Provided Google professional development trainings for schools as needed.
- *Effective Schools Grant Coordinator (2020-2023)*: Attended to communication from both the Rapides and Orchard Foundations and reported information to all necessary stakeholders. Attended and presented as needed at all coordinators' meetings. Grant writing, which included interim and final reports as well as new applications for the new grant cycle. Coordinated district professional developments, such as new teacher support and Google training.
- *Human Resources/Certification (2020-2023)*: Assisted teachers in the submission of teaching certificate renewals, add-ons, and updates. Assisted uncertified/new teachers in the submission of temporary authority to teach applications.
- *Student Records/Accountability Coordinator (2020-2023)*: Generated duplicate transcripts and diplomas upon request. Verified educational history of students for prospective employers.
- *Student Information Systems/Data Co-Coordinator (2020-2023)*: Provided accurate student counts during applicable processing periods for minimum foundation program funding. Ensured accurate student records are entered into JCampus. Obtained Louisiana secure identification numbers for new and transfer students. Calculated class rankings and grade point averages for graduation. Ordered diplomas necessary for graduation. Assisted principals in the creation of school schedules.
- *Student Transcript Systems Co-Manager (2020-2023)*: Verified student classes and grades for graduation/Taylor Opportunity Program for Students (TOPS) requirements.
- *Curriculum Database Co-Manager (2020-2023)*: Provided an accurate listing of classes and courses being taught at each school.
- *Section 504 Coordinator (2016-2020)*: Presided over school building level committee meetings as necessary. Facilitated the implementation of the school board approved Section 504/ADA policy. Developed, continually revised, and ensured the implementation of consistent Section 504 procedures. Provided ongoing training and support to district staff regarding Section 504 and the implementation of the Section 504 procedures. Collected and maintained all Section 504 data (504 plans, lists of eligible students, discipline records) for future reference. Served as a daily resource to district administrators, building level teams, and community members regarding Section 504/ADA issues. Coordinated Section 504 /ADA Manifestation Determination Reviews. Performed all other duties assigned by Superintendent.
- *TIF Talent Pipeline Lead (2016-2020)*: Worked closely with Superintendent and Teacher Incentive Fund (TIF) committee to develop, implement, and evaluate a program to recruit, train, and retain effective personnel. Created and implemented long-term program goals and objectives. Coordinated, managed, and oversaw program implementation; identified and led adjustments to programming when necessary. Strengthened the district's talent pipeline through expanded and strengthened partnerships with preparation providers. Improved academic support through improvements to the Compass support

and evaluation system's goal-setting tools and processes. Planned, supported, and directed a program to grow teachers' skills and retain effective teachers. Planned, supported, and directed a program to ensure all instructional leaders are trained to support teachers' growth using meaningful observation and feedback systems and tools. Expanded and strengthened Believe and Prepare programs by developing and growing year-long residencies, and by identifying and training strong mentor teachers. Coordinated with school leaders, mentor teachers, and partner staff on scheduling, resident placement, and other program needs. Contributed to the development of tools and required reports on an ongoing basis. Managed grant application and other possible funding sources. Attended applicable meetings and submitted reports as required. Performed all other duties assigned by Superintendent.
