Hello Warhawks!

This week, we're excited to celebrate the rich diversity of our international students with a series of events organized by the Office of Global and Multicultural Affairs. Join us in appreciating the cultures that enhance our campus's vibrancy. As part of our commitment to environmental and emotional wellness, we also invite you to participate in the campus clean-up and Wellness Walk.

These activities not only beautify our environment but also offer a wonderful opportunity to connect with your peers, learn from diverse perspectives, and actively contribute to a sustainable future.
