

# Bayou Discovery

**ULM Museum of Natural History partners with VCOM  
To host  
Marvels of the Human Body STEAM Camp**

**Dates: June 9 to June 13, 2025.** Monday through Friday, 8:00 am to 12:00 noon.

**Ages: students entering 4<sup>th</sup> and 5<sup>th</sup> grades**

**Location:** ULM Museum of Natural History, 1<sup>st</sup> floor of Hanna Hall on the ULM Campus

**Cost: \$120.00 per camper**, limited to 24 paid participants

Five days of fun and educational activities are planned for a STEAM Camp to be held in the ULM Museum of Natural History for students entering the 4<sup>th</sup> or 5<sup>th</sup> grades in the upcoming school year. This camp will focus on the “Marvels of the Human Body.” Daily activities have been chosen to engage students with hands-on activities that will foster creativity and develop their critical thinking skills.

**Registration will be online.** Please email for more information or a link to the registration form.
